NEW CHAMBER YEAR was officially inaugurated Thursday night with a Tri-Cities Chamber of Commerce banquet held at the American Legion home in Venice. Rabbi Morris M. Hershman is shown speaking, and seated at

Chamber Speaker Stresses Ethics, Faith, Participation

American business and professional men can regain a position rightfully theirs — the lustre and sparkle of leadership — with "four coats of polish," Rabbi Morris M. Hershman, Jewish rabbi, told a gathering of 350 persons at the 24th annual Tri-Cities Chamber of Commerce dinner meeting Thursday night.

"The gathering at the American Legion Post 587 home in Venice also witnessed installation of President Carl E. Mathias and other 1964-65 Chamber officers.

"The four requirements cited by the guest speaker were personal character, a sense of pride in one's business or profession, faith in the American way of life and willingness to participate directly in government and politics.

"He opposed increasing dependence on Washington which he said some justify by the statement that 'everybody else is doing it, so why shouldn't I get my share.' Everything the government gives it must first take from the public, he said, adding that citizens should not be taken in by the false lure of 'something for nothing.'

Communist Threat

Ultra-socialist programs pose the threat of weakening the initiative and moral fiber of America, making it easier prey for Communism, which remains dedicated to world conquest, Rabbi Hershman asserted. He likened

the present Chamber year to a "four coats of polish" campaign, which he said would help the community to begin coming out of its present potential into reality. He called upon every Chamber of Commerce member to be an active participant, contributing ideas and assistance in implementing progressive programs.

He presented Chester L. Baker, retiring Chamber president, with a camera purchased by board members in appreciation of his two years in the office.

Baker reported 1963-64 Chamber activities in such fields as business assistance, agriculture, seminars, civic improvement and development, Congressional action, education, health, horse shoe lake development, industrial development, legislation, light industry, membership relations and services, area Chamber association, planning a 4-0 zoning program, public relations, retail trade, safety, sewerage and drainage, Southwestern Illinois University liaison, transportation and highways and tourist promotion.

Open House at GCHS Tuesday

Granite City high school will hold open house tomorrow night for students and parents, in observance of American Education Week.

Activities will begin at 7:30 in the school auditorium, with the GCHS band presenting a half-hour concert. Principal Lawrence McCauley will speak and present National Merit Scholarships certificates during the 8-to-8:15 time period in the auditorium.

From 8:15 to 9:30, parents and students will visit classrooms of their choosing for conferences with teachers and counselors. Information on schools and colleges will be made available to those wishing to plan post-graduate study.

Bad Wiring Causes Fire

Granite City firemen were called to the home of Leonard Pasley, 1827 Grand avenue, at 8 a.m. Friday where faulty wiring caused about \$50 damage to the building.

Armed Man Arrested In Railroad Yards

GM&O Railroad detectives apprehended a man with a .25 caliber automatic pistol at 11:40 a.m. Thursday in the rail yards and turned him over to Venice police.

The suspect, Earl Cowens alias Willie Johnson, 32, gave his address as 110 Hill street in Eagle Park Acres but a driver's license he carried gave an East St. Louis address.

He told Venice police he was attempting to board a train at the yards. Charges of trespassing and carrying a concealed weapon were filed.

2 Homes, Industry Boost Construction Values to \$96,835

Fourteen building permits listing values totaling \$96,835 were issued during the first part of November by Earl Bloomquist, building inspector. Included was a \$55,150 addition to an original estimate for new construction at the A. O. Smith plant.

Other permits for commercial purposes during the week went to Clark Hardsurfacing Co., 2080 Edwardsville road, to erect a 40x40-foot lean-to addition to a building to cost \$9,000, and to Selma McAnaney to install a new store front at 1815 Edison avenue to cost \$335.

Permits for two new homes were obtained by Charles Lynch, a six-room brick veneer in the 2900 block of Grand avenue (lot 20), \$16,800, and by Jackie Terrell, a five-room metal prefabricated house at 225 Twelfth street, \$6,120.

Permits for remodeling and repairs were issued to Arthur Gillham, 2109 Bryan avenue, install siding and windows, \$200; Mary V. Melton, 1806 Maple street, install siding and windows, \$119; William Vaughn, 2914 Roosevelt street, erect porch, \$500; John Janek, 2611 East 25th street, install siding and stone on front of house, \$900; and Anton Walner, 2704 East 24th street, raze and rebuild porch hand caves \$1400.

Permits for garage purposes were issued to Carl Yeager, 2910 Palmer avenue, a garage addition, \$150; Wayne Scannell, 2709 Sunset drive, garage, \$1000; Norman Wenner, 3135 Aubrey avenue, carport, \$400; and James Gitchco, 2100 Rock road, garage door, \$600.

Good Response to Dog Offer at GC Pound

A woman walked all the way from the 2000 block of Washington avenue to the Granite City dog pound and back to her home to "adopt" a black and brown puppy Friday, officials said in noting the success of a program of providing dogs for families desiring pets.

Although "business" has been good, there are still plenty of stray dogs at the pound, it was learned.

Chain of Rocks Canal Freight Up 360,840 Tons

Freight tonnage moving through the Chain of Rocks canal locks 27 during October increased 360,840 tons over that of September, and sent total locks freight for the first 10 months of the year to 27,801,478 tons, or 2,024,846 tons more than had passed through the canal during the same period last year.

According to a report by the U.S. Army Corps of Engineers at St. Louis, a big part of the increase was in the upriver movement of petroleum products

which jumped from 358,900 tons in September to 497,100 tons for October and in downriver shipment of miscellaneous commodities which increased from 50,910 tons last year to 72,080 tons in October.

For all categories of products passing through the canal, however, total shipping downriver increased from 1,426,875 tons in September to 1,479,425 tons in October, while upriver shipment of all products took a much larger jump from an aggregate of 1,579,550 tons in September to 1,880,040 tons for October.

With the exception of private recreational boats, nearly all types of crafts passed through the locks in greater numbers during October. In the commercial category, 857 towboats locked through the canal in October, compared to 793 in September; 14 passenger boats used the locks in October compared to 10 the previous month, and 3892 barges passed through the canal in October, compared to 3731 in September. While 323 recreational boats used the canal in September, the number dropped to 175 during October.

Craft Movements Up
The number of United States craft using the locks also increased last month—10 U.S. towboats compared to seven in September; 20 barges in October compared to 12; two small craft, compared to none, and 11 patrol boats compared to 8. These figures increased to 7628 the number of commercial towboats and 33,469 the total number of barges using the canal so far this year.

The total number of 4981 vessels that passed through the canal in October increased to 44,010 the total number of all types of craft using the locks during the 10 months of the year, while 843 lockages reported during October brought to 3079 the aggregate of lockages for the year thus far. At the same time last year 29,542 vessels had used the locks and a total of 7709 lockages were reported.

Total freight operations during the month included: petroleum products, 497,100 tons upriver; 239,540 down; grain, 13,700 tons up, 1,471,600 down; coal, 508,450 tons down; sulphur, 22,400 tons down; miscellaneous commodities, 321,400 tons up, 72,080 down; iron and steel products, 17,550 tons up, 69,550 down, and chemicals, 97,425 tons up, and 14,520 tons down.

This was a total of 1,479,425 tons of upriver freight and 1,880,040 tons downriver, an aggregate of all shipments of 3,359,465 tons.

Boy Scout Council Roundup Of Boys at Half-Way Mark

The "Frontier roundup" of the Cahokia Round Boy Scout Council is at the half way point. A. P. Steinhauer, works manager American Steel Foundries and council president, said today. The goal of 1100 new boys can be reached with the increased effort of unit leaders to register new boys now meeting in Scout units, Steinhauer added.

Each of the 164 units of the council has made a pledge, Henen said, to invite new boys and old members to scouting. Each Club has provided a special Frontier Roundup kit of program material for each unit. These kits have been distributed by the 62 Neighborhood Commissioners.

New Scout units are being organized in ten institutions in the Unihav District according to William Justin, district organization and extension chairman. Seven new Cub Packs will provide Cub Scouting for over 150 new boys 8, 9 and 10 years of age. Three new explorer posts will open the doors of Scouting to 30 or more young men of high school age.

MANDEL'S SHOP GRAND OPENING last week at the Nameoki Village shopping center featured a ribbon-cutting ceremony. Taking part, left to right, were Mayor Davis, Harvey Heiken and James Henderson, developers of the new center along Nameoki road, and J. B. Koelker, owner of the Mandel's shops.

Funeral Held Saturday For Paul Bojkovsky, 62. Funeral services were held at 1:30 p.m. Saturday for Paul Bojkovsky, 62, of 218 Madison avenue, Madison, at St. John Lutheran Church, 2001 St. Clair avenue. Burial was in Sunset Hill Cemetery.

Deadline Of Dec. 31 Each of the 164 units of the council has made a pledge, Henen said, to invite new boys and old members to scouting. Each Club has provided a special Frontier Roundup kit of program material for each unit. These kits have been distributed by the 62 Neighborhood Commissioners.

Benefits at Housing Projects Through the organization of new Cub Packs in the Lee Wright, Viola Jones and the Garesche Homes, more than 20 boys will have the Scouting program, Mier said. Dite Branner, Madison County Federal director, says that Scouting programs in housing projects provide an opportunity for creative activity for boys and adults. "Many boys who live in the housing projects should have the opportunity of the Scouting program," Mier said.

New School Board Meeting Policy Going Into Effect

A Granite City school board meeting at 7:30 a.m. will inaugurate a new policy emphasizing the equipping and financing of the school system. The board met on Monday, December 2, 1964, and stressed the educational program at the second meeting. Tonight's session will serve as the November business meeting.

CUMULUFT NYLON CEMSTRAND

MOHAWK CARTIER ONLY \$7.95 Square Yard
...made of 100% Cumuloft® nylon pile

INCREDIBLY STRONG... Tough, durable... no fiber can outwear nylon. And no ordinary nylon carpet fiber can beat the strength of Cumuloft nylon. Cumuloft nylon is a continuous filament textured yarn that retains nylon's full strength.

RICHLY LUXURIOUS... You have to feel the lush depth underfoot. You have to see the rich surface... the fabulous new depth and clarity of color! Carpet of Cumuloft nylon pile is like no carpet you've ever owned. It has warmth and softness that is unbelievable.

RESISTS FUZZING AND PILLING... Cumuloft nylon is a continuous filament nylon, with no short loose fibers to pull up or fuzz. That's why carpet of Cumuloft nylon doesn't shed.

RESILIENT... Step on it. Jump on it. Carpet of Cumuloft nylon keeps coming back for more! The resilient nylon yarn springs back, resists matting and retains its luxurious texture.

EASY TO CLEAN... Because the smooth, non-absorbent Cumuloft nylon yarn resists dirt and dust, soiling stays right on the surface where you can whisk it off with the vacuum cleaner. Spills are no catastrophe either, just spot clean with a detergent and water.

TB Christmas Seal Sale Drive Starts Nov. 16 FREDMAN BROS.' TIMELY TERRIFIC, THINKING MAN'S SALE!

The annual Christmas Seal campaign will begin next Monday, when 71,000 letters containing seals will be mailed to Madison County residents for funds to continue the annual tuberculosis x-ray program. The goal is \$46,000.

Dr. A. H. Rode, local dentist, who is first vice-president of the Madison County Tuberculosis Association, today urged residents to buy the seals and use them not only on Christmas cards but also Christmas packages and all mail.

"The seals are a symbol of service and health to the community," he pointed out.

33,088 Free X-Rays

In 1964, the association provided 23,088 free chest x-rays, an increase of 1762 from the previous year. The x-rays revealed 596 chest conditions including 14 active cases of tuberculosis and

Nurses' Educational Program Set This Week

Dr. Obert M. Lay, who is an active member of the staff at St. Elizabeth Hospital, will be the guest speaker for the continuing educational program for nurses at the hospital on Thursday at 7:30 p.m. in the hospital library.

Dr. Lay is a graduate of Washington University School of Medicine and has practiced five years after completing internship at St. Louis County Hospital. He is a member of the American College of Surgeons and besides serving on the local hospital staff he is also associated with several other hospitals in the area.

For this lecture he will continue his topic, "care and treatment of emergencies arising in the hospital." The first part of the lecture series was well attended about two years ago. All nurses, professional and practical, in this area are invited to attend.

Save Thousands of Lives

"There is no doubt that thousands of lives have been saved through the years by intensive education during the Christmas Seal campaign. The program of the Madison County Tuberculosis Association is realistically planned and by men and women on the board of directors — who are

familiar with the special health needs of the community and are responsible for seeing that the necessary budget is provided.

"Please answer your Christmas Seal letter. Your contribution will be gratefully received and carefully handled. The Tuberculosis Association is not tax supported.

"Our goal is \$46,000 for 1964. Last year money collected in Madison county was \$44,325. If you do not receive your Christmas Seal, write or call Mrs. Betty McClintock, RN, 1144 North Main street, Edwardsville, telephone 656-0242."

The association's financial report for last year showed that \$8000 was allocated for state and national work, and disbursements included \$6473 for health education, \$18,844 for case finding, \$8093 for administration, \$16473 for the seal sale, \$100 for research and \$2443 for equipment.

Last year the lodge collected over 5000 cans which went into about 700 Christmas baskets.

Rev. Surrby to Speak At Eagles Lodge Banquet

The annual kickoff dinner for the Eagles Lodge named golf drive will feature Rev. Paul R. Surrby of St. John United Church of Christ as guest speaker. It was announced over the weekend by Jesse Brown, campaign chairman.

The banquet will be held at 6:30 p.m. Nov. 18, at the lodge hall, 2011 street and Madison avenue, and reservations may be made for \$3.50 per person.

Each year the lodge conducts a campaign for canned goods to provide staples for the Salvation Army's "Tree of Lights" program to supply Christmas baskets to needy families in the area.

Each year the lodge collects over 5000 cans which went into about 700 Christmas baskets.

Huge Stockpile, A. O. Smith Plant Closes for Week

The A. O. Smith Corp. auto frame manufacturing plant is closed this week because of the huge inventory of thousands of frames on hand due to the 41-day General Motors strike which ended in St. Louis on Friday.

A spokesman for the plant said that 1200 production workers will have a week off and are to return next Monday when production is to be resumed on all three frame lines.

Only a few shipments of frames were made last week, and when shipments are expected this week.

The stockpiling of bulky frames resulted in a staggering amount of quitting and starting time for shifts at the local plant since part of the parking lot was used for frame storage as well as the fields at the rear of the plant.

Employment Census Planned Next Week

Questions designed to provide national information on employment and unemployment will be asked in the Census Bureau's Current Population Survey in this area during the week of Nov. 15. It was announced today by Theodore F. Olson, director of the Census Bureau regional office at Chicago.

Answers to the questions furnished by local sample households will be combined with those gathered in 350 other sample areas in the country to obtain national estimates of the non-military employment development. Similar inquiries are made in the Current Population Survey each month, at the request of the Bureau of Labor Statistics, U. S. Department of Labor.

The latest published estimates show that in September, the number of employed persons totaled 70.8 million, an increase of 1.3 million over September 1963. The unemployed totaled 3.3 million this September, compared with 3.5 million the same month last year. The seasonally adjusted unemployment rate was 5.2% in September this year, and 5.5% in September 1963.

Census Bureau interviewers will visit a scientifically chosen sample of local households in November.

Madison Woman Granted Divorce in Court Here

Alma Standlee, Madison, was granted a divorce from John Paul Standlee, Thursday by Associate Judge Fred Schuman in the Granite City division of circuit court.

They were married Sept. 1, 1949, in Platt, Ark., and separated Dec. 15, 1960. She charged cruelty and desertion. She was given custody of one child. Three others are living with the father whose whereabouts are unknown, according to court records.

Driver Backs, Hits Car

While backing into a parking space, a car driven by George Shilbrough, 2153 Larch avenue, hit an auto driven by Donna R. Kany, 508 Bent road, who was stopped in back of him, at 30 a.m. Friday at 19th street and Madison avenue. The left rear of the Shilbrough auto was damaged.

50 YEARS AGO

Granite City Press-Record
November 10, 1914

Madison county cast 17,669 votes. Of that number, 585 ballots were cast by women.

According to the official count, more votes were cast for congressmen than any other office with Lawrence V. Sherman, Republican, getting 8086 to Roger C. Sullivan, Democrat, 3714; Raymond Robins, Progressive, 1191; Adolph Garber, Socialist, 1237; George W. Fowler, Prohibition, 95; and John M. Francis, Social-Labor, 51.

A large majority of the women who voted cast Republican ballots. Laura B. Evans, Republican candidate for university trustee, received 223 women's votes. Her opponent, Robert R. Ward, democrat, received 67 women's votes. Mrs. Chandler Smith, progressive candidate for the same office, received 120 women's votes and Minnie Branstetter, the Socialist opponent, got 80.

Mrs. W. F. Grayson and Mrs. W. H. Tomlin left today for Springfield, where they will attend the State Federation of Women's Clubs convention.

Granite City Police Chief Whitehead caused the detention this morning of a suspicious looking automobile, filled to the top with ammunition, shotguns, and provisions, standing at 10th and Belvoir.

Residents of Madison are preparing to attend dedicatory services Friday evening for the new high school building recently completed. The opening of the new building will occur at an appropriate time in the history of the Madison schools, coming as it does exactly 21 years after the

25 YEARS AGO

THURSDAY, NOVEMBER 9, 1939

It was learned today that a group of citizens in Nameoki, considering the formation of a park district, and that petitions will be circulated in a few days to determine the attitude of the voters. The present state law governing formation of such districts expires Dec. 31, 1939 and consequently, if any action is to be taken under the existing statute, it will have to be initiated soon.

It is the plan, if a park district is formed, to develop the present village park ground at the rear of the village hall and to locate other park facilities accessible to people in the town end of Nameoki as well as those living in close proximity to Maryland Plaza.

Passenger train No. 9 of the Nickel Plate Railroad, bound for St. Louis yesterday morning, crashed into the trailer of a large tractor-trailer truck crossing over Washington avenue in Madison. The impact threw the load into the air and did considerable damage to both the trailer and the engine but did not result in any injuries. The driver received a bruise on the head.

A special program has been arranged by Rev. John Hajus pastor of St. John's Lutheran Church at Bromley avenue and East 24th street to commemorate the 15th anniversary of the church building. The program of the church will be held in the basement—where a banquet will be served to the church officials, congregation and visitors at noon.

Rev. Hajus, who has been pastor of the church for 14 of its 25 years' existence, said \$800 in anniversary contributions have been received already. This is in addition to the regular church offerings.

Mrs. Gladys Metzger, supervisor of the WPA top repair project, which furnishes employment to 29 men and women in Granite City, said today there has been some confusion as to the location of the project and the identity of the supervising organization through which it operates.

When the project started, it was sponsored by the American Legion and occupied quarters in the Legion building, but now the sponsor is the Salvation Army and the project is located off the Army headquarters on State street. As speaker of the project, these will be distributed to the less fortunate children here at Christmas time.

Jacob Mueller, who lives with a son, Henry Mueller, near Mitchell, will observe his 100th birthday next Monday. No special celebration is planned, although many of his friends are expected to call on him and pay their respects.

Mueller came to this country from Germany when he was 26 years old and two years later

Youth, Education Weeks Stress Adults' Interest In The Younger Generation

Youth Appreciation Week and American Education Week again are being held simultaneously. This week's dual observance is appropriate, since both stress a constructive approach to preparing youth for future community, national and world leadership.

Local Optimists, who plan to invite many students to attend a luncheon on Thursday, stress the "juvenile delinquency" of 95% to 97% of youngsters, as opposed to the delinquency of a few. By "putting them on the back," Optimists feel that State Federation of Women's Clubs convention.

Pedestals And A Bit Of Philosophy

Being male and having always placed the female of the species on the highest of pedestals, we have not been overly concerned with the "status of women." In the past, we have been a number of discussion forums in recent years.

Madison County Now Headquarters For State Police Of 10 Counties

Our 10-county state police district has been headed for some time by a Quad-City, Capt. Emil Toftant. Now, the headquarters itself has been moved from St. Clair county to Madison county, occupying modern offices newly constructed on State Route 129 near Interstate Route 70.

Vets With Pensions Warned on Limitations

The Illinois Veterans' Commission today issued a reminder to veterans and widows receiving a non-service connected pension that the pension is subject to income limitations.

Boy, 4, Burned When Blue Jeans are Ignited

Severe burns on his right leg and arm were suffered by four-year-old Timothy Barr, son of Mr. and Mrs. Orr Edwards, 2705 Kirkwood, when his clothing was ignited. He was admitted to the hospital, where his condition is reported as good.

Girl Bitten By Dog

Ruby Tate, 10, of 1836 Sprague street, was bitten by a dog, it was reported to police at 9:45 p.m. Thursday. The humane officer and the owner were notified.

MORAL

Law Still Needed On Levee Board Representation For This County

Election of two Quad-Cityans to the East Side Levee Board Saturday has given this community the 4th representation justified by its population and its tax payments. But it would be a serious mistake to consider the representation problem solved.

Until the situation is corrected, the number of votes cast in East St. Louis gives the southern portion of the levee district too dominant a voice. Good Quad-City candidates were selected this time, but the decision should rest solely with the local community, rather than depending on acquiescence by St. Clair politicians.

Consequences Of Tax Rejections Likely To Be Reduced Services

Severe restrictions likely to be imposed on Madison county governmental spending raise the question of whether this county should seek action—clarifying the legislature's original intent regarding tax limits. A court interpretation of what the lawmakers meant has put the county on the brink of a financial crisis.

Possible factors in the 4-1 defeat were the lack of an active campaign by the bulk of county officials and board members, their presentation with the presidential race and other ballot questions; and the traditional reluctance to give direct approval to what had to be presented as a tax increase, rather than restoration of an earlier tax.

Bar Association Speakers Available On Many Topics

Madison County Bar Association members performed a helpful service by explaining the complex ballots to organizations prior to the election. But voting information is only one of the many topics on which attorneys are well versed and willing to share their knowledge with the public.

Because full and accurate understanding of the law and government is such a necessity in a democracy, we urge Quad-Cityans to make use of the Bar Association speakers' Bureau offices. Subjects that can be requested include family law, legal responsibility of parents, law as a profession, descent and distribution, legal rights of a modern housewife, rights if arrested, how your rights as a worker are protected, social security for farmers, wills, annual legal health check-up, court modernization, estate planning, workmen's compensation, state government, criminal law, and many others.

VOTE RESULT MAY SPUR CRIME, MORAL WEAKNESS

To the Editor: Johnson won the election, but the American people lost it. I am certain that 50 or 100 years from now, people will look back at the age of Roosevelt, Eisenhower, Kennedy and Johnson with disgust and amazement.

All four of these presidents contributed to America's becoming a socialist. The spread of crime and immorality and state paternalism is most evident with each passing year.

This country needs a conservative philosophy. But I am convinced that the American people do not deserve Barry Goldwater. They chose Johnson and I hope they regret their fill of him. I already have.

I seriously doubt that those who voted for Johnson realize they have ever realized what they have done. They have chosen to make themselves dependent upon "the government" for their sustenance—indeed, their very survival.

PATIENT OPPOSES SANATORIUM MERGER

To the Editor: I would appreciate it very much if you would publish my letter in your Forum. I am a patient in the Madison County Tuberculosis Sanatorium, and I oppose the merger of the Madison County Tuberculosis Sanatorium with the University of Illinois Tuberculosis Sanatorium.

THE PASTOR SPEAKS

REV. ALFRED BULLS
Hope Lutheran Church

Thousands of people gave vent to emotions that they had bottled up for days when the St. Louis Cardinal's young player caught the ball that made them National League champions.

Chaos, joyful chaos, is as good a description of the whole affair as you could find. And there is nothing wrong with this jubilation. It's probably a good thing that people can get excited like this every fifteen years or so.

The question that it raises however is: Have we lost our sense of real values? It's difficult if not impossible to get so large a segment of the population excited about civic issues, social issues, moral issues, education, or religion.

Thugs Operate Loan Shark Racket

Second of a group of bills introduced by the Chicago Crime Commission to knock out the "loan shark racket" in Illinois: The "loan shark racket" has long been a problem both for law enforcement officials and its unfortunate victims.

As the Chicago Sun-Times phrased it in a recent editorial, "The racket is a vicious one, frequently brutal. 'Bring in the money, or we'll kill you,' is the threat, but it brings it in Rob a place. Cash a bum check."

In recent years, the operators of this racket have become extraordinarily bold. Police departments have worked hard to find witnesses who would testify against the extortionists.

But the prosecution problems multiply. At present, conviction requires proof of the use of intimidation or force, and this is difficult to establish when victims are intimidated and witnesses are fearful of their lives.

The methods of the loan shark operators, the enormous income generated by this vicious racket, and the problems of obtaining convictions based on proof of intimidation have brought to public attention by the recent indictment and unsuccessful prosecution of six members of a Chicago "loan shark ring." One of the racket's operators was a factory worker, Joseph Weisbach.

When Weisbach fell behind in his payments, I am sure our countrymen would not be surprised. I like so many other people was unaware that I had tuberculosis, and I can't be thankful enough that I had an x-ray taken at the mobile unit when it visited our town.

I wish everyone would realize the value of this. It is free and knowing it is to your advantage, it may save your life. My x-ray was referred to the Madison County Sanatorium and I was asked to come to their x-ray clinic for a larger x-ray. I was told that the sanatorium was suggested and I accepted.

I hope everyone gives generously to the Christmas Seals, because the money goes to the greater cause. Tuberculosis is not the dreaded disease it was 25 or 30 years ago. Today, with modern drugs and new techniques, tuberculosis is almost a thing of the past. Sanatorium stay is shorter.

Slow-Starting Warriors Down Quincy 20-0; Unbeaten Belleville Next

BACK IN END ZONE, Quincy's Bill Newberry (15) gets off a punt as Granite City players charge him. At left, Dean Polos of the Blue Devils blocks the Warriors' Jerry Line (arms upstretched) while Eddie Brokaw (43) and Chuck Mizeraki (75) make futile attempt to block kick. Football (out of photo over line) was taken by Ricky Turner at the 35-yard line and returned to the 12. The Warriors, however, could not score on the next series.

Two TDs in Final Four Minutes Clinch 7th Victory; Team Must Defeat Maroons Friday for Title Tie

Quality quelled Quincy's quest for a major football upset and now the Granite City battle cry, albeit any way, is "Beat those Belleville bums badly!" The Fighting Warriors had a tough time getting started Friday night and the Quincy Blue Devils at Q Stadium but scored 14 points in the final quarter and brought home a 20-0 victory, their seventh against one loss.

Now comes the season finale and one of the biggest games in recent GCHS history. Belleville's undefeated Maroons (8-0) visit here Friday night and Friday the 13th will prove unlucky for one team's Southwestern Conference championship aspirations.

The Maroons have a 4-0 mark in conference play to the Warriors' 4-1 record. A victory by Granite City would clinch at least a tie for the title, probably with the winner of the Belleville-East St. Louis Thanksgiving Day game.

GCHS has not won or tied for a championship since 1946. East St. Louis (3-1 and 7-1) and Collinsville (4-1 and 5-1) play Friday night and both, of course, also have a chance at tying.

Tickets on Sale For Friday Game

Advance tickets for Quincy's crucial, Belleville-Granite City football game were on sale today.

Tickets are available at Graham's Book Store, Granite City high school and Coolidge Prather and Central junior high schools. Advance prices are 35 cents for students and \$1 for adults. Gate prices will be 50 cents for students and \$1 for adults.

A big crowd is expected for the contest. A GCHS victory over undefeated Belleville would give the Warriors at least a tie for the Southwestern Conference championship, which began at the Devils' 47, and Petrillo scored from the 11 on a power sweep. Rains' punt made it 20-0.

ing his streak of successful boots at 35.

Speaking of Quincy's unusual offense, coach Jim Morrison cracked: "They used an unbalanced line with a single-wing and a multiple-T with a Kirkville split. They couldn't have done much more than that, without

Goal-Line Stand

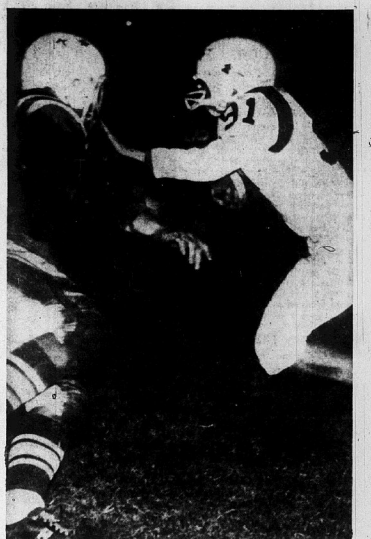

The Warriors' spirits were revived late in the second quarter when a long, time-consuming drive by the Blue Devils was stopped within two yards of the goal.

Starting the second half with ball-control tactics of their own, the Warriors went from their own 30 to Quincy one, where the Devils' defense held and possession went over on downs.

In the fourth quarter, the Warriors again started a march and this one paid off, with fullback Tom Craycraft going over from the 17 on a back trap play with only 3:54 left in the game. Rains' kick was good this time.

Leonard Revelle's pass interception with 1:05 remaining set up the last TD. Two 15-yard penalties against Quincy provided the big boost in the series, which began at the Devils' 47, and Petrillo scored from the 11 on a power sweep. Rains' punt made it 20-0.

Petrillo's two touchdowns gave him 38 points for the season but Belleville's Clyde Kuehn scored three Friday against Edwardsville and leads area prepsters with 76 points.

MAKING INTERCEPTION of a fourth quarter pass by Quincy's Mike Crist, Granite City safely Leonard Revelle begins a seven-yard rush, warding off a Blue Devil tackler. He was downed at the Quincy 47, where the Warriors began a march that resulted in their third touchdown.

DO YOU TAKE VITAMINS AND STILL FEEL TIRED?

If you take vitamins and still feel tired, your trouble may be due to iron-poor blood. Vitamins alone can't build up iron-poor blood. But GENTRO can because just two GENTRO tablets, or two tablets of liquid GENTRO, contain 7 vitamins plus twice the iron in 13¢ of calves' liver.

In only one day GENTRO-iron is in your bloodstream beginning to carry strength and energy to every part of your body. Check with your doctor and if you've been feeling tired because of iron-poor blood, take GENTRO, liquid or tablets, every day. You'll feel stronger fast in just 7 days or money back from GENTRO.

Club Federation To Hold Campus Day on Thursday

Clubwomen of Madison, St. Clair, Washington and Monroe counties will join in observing Federation Campus Day Thursday when they meet at Southwestern Illinois University, Alton.

Sponsored by the Madison County Federation of Women's Clubs and SWIU, the day's program has as its theme, "Challenge for Illinois: Social Factors in Education." It is designed to give clubwomen better understanding of trends in higher education, according to Mrs. E. H. Davis, the state federation's education chairman.

During the morning session, club members will visit the Alton center, where they will see a class in session, a laboratory demonstration, the library and student union.

Following a luncheon at the College Avenue Presbyterian Church and a welcoming speech by University President Delbert W. Morris, the afternoon program will begin with a talk on "Needs of the Culturally Disadvantaged Child" by Charles V. Matthews, assistant director of the SIU-SWU Center for the Study of Crime, Delinquency and Corrections. Matthews spent five years as a research associate with the University of Chicago's Quincey Youth Development Project.

Co-author of "Growing Up in River City," which describes the project, Matthews served as an intern in psychotherapy under Carl Rogers at the University of Chicago. He has also taught delinquent youth and the mentally retarded.

How "The University Works to Provide Suitable Skills" will be explained by E. R. Cassady, supervisor of technical and training coordinator at the Ford Motor Co. in St. Louis and at the SIU-SWU Center for the Study of Crime, Delinquency and Corrections. He has been in St. Louis since 1959.

Mandel Lerner, who joined the Community Development Service at SWIU in March after serving as consultant to the Korean government for the "Near East Foundation," will talk about "The University's Role in Improving Community Leadership."

Presiding during the morning session of Federation Campus Day will be Mrs. Wilford Cooley, Granite City, president of the Madison County Federation of Women's Clubs. Mrs. Davis will preside during the afternoon.

FEDERATION CAMPUS DAY to be held Thursday at Southwestern Illinois University is explained in this program being studied by H. Bruce Brubaker of the host SWIU administrative staff and three local and state officers of the Federation of Women's Clubs. They are (left to right) Mrs. Charles Gabbert, East Alton, program chairman, Madison County Women's Clubs; Mrs. Wilford Cooley, 2333 East 25th street, Granite City, president, Madison County Women's Clubs; and Mrs. Leland Buckley, Edwardsville, president, 23rd District, Illinois Federation of Women's Clubs. Women attending the Campus Day will tour the SWIU Center at Alton and hear talks by faculty members.

Assembly Topic Of Fellowship

Mrs. Margaret Schoenhardt, president, presided over a business session of the Christian Women's Fellowship of Central Christian Church Thursday at the church.

The CWP plans to attend World Community Day at St. Peter Evangelical and Reformed Church Nov. 6. Plans were discussed for the Christian men and women fellowship to attend a fall assembly Nov. 22 at Hillcrest Christian Church in Belleville. The ladies are to serve the Boy Scout appreciation dinner Nov. 12. A guest speaker, Roy McConkey, Granite City high school counselor, presented a program on vocational guidance and on counseling of high school students.

Mrs. Jackie Schumacher gave the devotional to conclude the program. The remainder of the evening was spent with a social time, and refreshments were served from a table decorated in a fall arrangement of bronze and gold mums by the Esther group.

Organ Dedicated Fifty-Eighters At Holy Trinity

A luncheon was given by the Junior Choir of the Holy Trinity Bulgarian Eastern Orthodox Church in the church hall Sunday to celebrate its fourth anniversary and dedication of an organ purchased with funds raised by the choir.

The theme of the luncheon was "We Honor Our Music Makers." A short program was presented by the choir, and Mrs. Dorothy Beck, leader and organizer, was presented with a white orchid year. A short program was presented by the choir president, Miss Cynthia Todoroff. The adult choir leader, Mrs. Eleanor Todoroff, presented an orchid to Mrs. Mary Andria, choir member and president of the church for Sisterhood. State Conservation Dept. Urges Caution with Fires

The fire potential in Illinois woodlands is almost at the explosive stage, William T. Lodge, director of the Illinois Department of Conservation, said today.

"October of 1964 has been one of the driest in history," Lodge said. "In some parts of the state no precipitation has been recorded during the month. The forest fire situation is serious throughout Illinois and it is extremely dangerous in southern Illinois. I urge everyone to be careful when burning brush or crop residue. Do not leave fires unattended."

Lodge said that anyone who wants to start an open fire in Pope, Hardin, Alexander, Pulaski, Jackson and Union counties must obtain a burning permit from a fire warden first. Hunters are not required to obtain burning permits for cooking fires but they must not leave them unattended.

Ray was charged with disorderly conduct and property destruction; a companion was released. No explanation was given for the breaking of the three 28x30-inch panes of glass.

Charged With Breaking Plastics Firm Windows

Halting Danny E. Ray, 20, of 1106 Grand avenue for questioning at 12:45 a.m. Saturday at 12th street and Madison avenue. Madison police linked a cut on his hand to the breaking of three windows a short time earlier at the Chris Kaye Plastics Manufacturing Co., 1200 Madison.

Ray was charged with disorderly conduct and property destruction; a companion was released. No explanation was given for the breaking of the three 28x30-inch panes of glass.

Son Born to Former Granite Cityans

Mr. and Mrs. Donald Price of Quincy, former Granite Cityans, are announcing the birth of their first child, a son, Thursday at St. Mary's Hospital in Quincy. The new arrival, who weighed eight pounds, has been named Donald Todd.

Mrs. Price will be remembered as Geraldine Spurrier, a daughter of Mr. and Mrs. Rex Spurrier. The paternal grandparents are Mr. and Mrs. Arvil Price.

Change in Meeting Date

This month's meeting of the Tri-City Red Cross chapter will take place a week later than usual, at 4 p.m. Tuesday, Nov. 17, at the Trust and Savings Bank.

Garage Window Broken

A vandal threw a rock through a pane of glass in an overhead garage door at the home of Mrs. Margaret Delaney, 2564 Cleveland blvd., early Sunday.

Bothered by dry nasal passages... or chapped lips?

It's time for a humidifier

Surprising fact!—during the heating season the air in the average home is usually drier than the Sahara Desert!

You feel it in the dry, "twitchy" discomfort in your nose... in irritable, dried-out skin.

You can see the lack of humidity in your complexion... in your hair when it becomes straight and stringy.

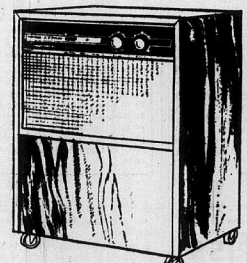

You'll see it, too, in dried-out furniture joints that come loose. You feel it in that little shock of static electricity when you touch a door knob.

An electric humidifier adds the vital moisture you need in the air for health, for comfort... and for the preservation of your prized furniture and carpets.

Find out why the homeowners who have a humidifier would never be without one again! It needn't cost a cent to find out.

TRY THIS HUMIDIFIER FREE—NO OBLIGATION

Handsome new Thomas A. Edison Electric humidifier adds up to 16 gallons of vital moisture to home air each day during the heating season. Try it FREE for 5 days. Then buy on convenient terms. No obligation. Ask at our office.
